

Donelson Hermitage Invitational Golf Tournament

Volunteers of America has scored a "hole in one" for its Mental Retardation and Developmental Disabilities (MRDD) programs in Tennessee.

Thanks to the Chamber of Commerce of the twin cities of Hermitage and Donelson, the organization will be the first nonprofit beneficiary of the chamber's annual golf tournament, now in its 20th year.

The "Donelson Hermitage Invitational Golf Tournament" on September 16th will not only raise money, it will also raise the profile of Volunteers of America in the Nashville area and in the cities that are home to the Grand Ole Opry, the 2900 room Gaylord Opryland Resort, the Nashville International Airport and the Hermitage, the home of President Andrew Jackson.
